The Three main management committees (from Development Plan):

- **Golf Course Development Committee** - Gather and document all planning information that exists into a "Creston Golf Course Development Plan". Review this Plan by comparison to the present layout and recommend changes to the Executive Committee that would continue to define the Creston Golf Course as challenging and appealing to members and guests. The committee may consult with the original course designer or others as deemed appropriate.
 - Chaired by Club President and include: Club Superintendent, Clubhouse Manager, Club Professional & Building Committee Chair.
 - Directors: Brandon Vigne, Darrell Kemle, Loretta Fladhamer, Rick Boekestyn
 - Members: Don Vaillancourt, Len Mosher.
- **Greens and Water Committee** - Ensure the Greens Superintendent manages his area of responsibility using an effective and efficient maintenance plan. All course improvements related to maintenance projects require approval of the greens / water committee. Any course design changes must be in accordance with the Course Development Plan and approved by the Board and / or the general membership.
 - Greens Chaired by Ron Young, and include Club President, Superintendent: James Wilson
